- Value-Added Services
- Maintenance Services
- Nehmeh Service Network
- Training

#### EQUIPMENT RENTALS

In continuation to our extended customers' partnership, Nehmeh is offering an extended business support to cater for the customers' market needs. By offering our wide range of products for short or long term rent (T&C applies).

##### Our Rental Range includes but not limited to

- Electrical Power Generators (3 – 80 KVA) - Higher ratings available upon request.
- Portable Air Compressors
- Stationary Air Compressors (185 & 275 cfm)
- Welding Generators
- Tower light (Long term rental)
- We are ready to offer other applications as well upon request

#### Benefits

- Rental with attractive offers
- We assure to respond to breakdown calls within 24 hours
- Replacement option will be made available if required.

#### Annual Maintenance Contract (AMC)

Nehmeh Service Solutions offers One Year Preventive Maintenance of machines supplied by Nehmeh Corporation. As being the pioneer of the supply and service of this machine, our Preventive Maintenance will help to enhance its life long run.

##### Our range of service includes:

- Regular inspections
- Preventive and Breakdown Maintenance
- Product Training
- Spare Parts Supply

##### USER BENEFITS:

- We can be reached round the clock.
- Short Response time.
- Qualified and competent service personnel.
- Availability of genuine spare parts.
- Willingness to implement a long lasting partnership.

##### PREVENTIVE MAINTENANCE SERVICE:

The schedule for preventive maintenance in a year is planned well in advance for which we call you in advance.

##### Our Service Charge For The Maintenance

Maintenance to be carried out during Normal working days  
i.e. Sunday to Wednesday between 7:30AM and 5:30PM and  
Thursday between 7:30AM to 1:00PM

Benefits if you go for no. of visits recommended in a year you will be entitled for:

- On call stand by during urgency and utmost priority during breakdown
- Small breakdown less than 2 hours will not be charged,

Nehmeh AMC Contract is also applicable for your power tools, where it can help you to pre-plan for your annual expenses and avoid individual services payments.
